#### NEW SAVINGS BANK **OPEN FOR BUSINESS**

The city's newest financial institution, the Capital City Savings Bank. cpened its doors for business for the first time at 5 o'clock this morning. The new bank is located at Seventh street and Florida avenue, near the ball grounds, and in a section which has grounds, and in a section which has grown rapidly in recent years.

The officers of the bank are H. D. Gordon, president; E. A. Garlock; vice president and treasurer; F. R. Gordon, vice president; E. S. Garlock, director; A. B. Gordon, secretary, and M. T. Wiggings, assistant treasurer.

This is the last Saturday but one of the so-called "summer recess" of the local stock brokers, and, beginning Saturday after next, or the first Saturday in October, the local Stock Ex-change will be open on Saturdays as ell as other week days. A revival in business is expected to begin even be-fore that, for, if all of the commissions which have been earned on the local exchange for a month past were divert-ed to one broker, he could not pay a decent office rent and expenses with the proceeds, much less live besides.

It is not expected, however, that the first several weeks of October will witness a record breaking season on the local stock exchange for the reason that a number of the important opera-tors on the local exchange will attend the annual convention of the American Bankers' Association, in Boston, leav-ing here the first week in October.

The amount of the crop moving fund provided especially to help out the farmers, which has been deposited banks in the South and West by the south and Treasury Department, was said today to have reached \$16,000,000.

The Safest Investments Are those that do not fluctuate during dis-turbed conditions of the money or stock mar-kets. First deed of trust notes (first mort-gages), well secured on real estate in the District of Columbia, constitute "gilt-edge" investments. They do not depend upon the financial responsibility of individuals or cor-porations for their stability, and are exempt from taxation as personal property. We can supply such investments in amounts from \$500 upward. Send for booklet, "Concerning Loans and Investments."
